Special notes:

A series of particularly beneficial websites, offered by Steve Gallison, Director, and his staff at Professional Outplacement Assistance Center, Columbia, Maryland include:

www.dllr.state.md.us/poac for links to downloadable websites for recruiters, agencies, and employers.
www.dllr.state.md.us/poac/metalist for a major (mega) list of employers in the region. POAC's
www.dllr.state.md.us/poac/dir features the most active employers in the area. POAC's list also includes:

Federal Jobs and related information about federal programs at <http://opm.gov/>, and Gallison points out that <http://Govexec.com> will provide excellent insights into the Federal Government. For Disabilities and Employment Issues Gallison recommends: <http://www.dol.gov/odep/>.

For Salary and Negotiations information, http://salary.com/salary/layoutscripts/sall_display.asp; and www.shapironegotiations.com/Resources/Newsletters.cfm. Also, <http://drewsoftware.com/Download.html>; <http://queendom.com/test/>; and www.career-design/merchant/CareerChange.htm.

Here are some the more popular sites for specific job search, career fairs, and career management information:

For Job Seekers looking for pertinent, relevant terms for their resumes you might visit the Occupational Information Network's database of job descriptions at <http://online.onetcenter.org/help/online/tips>. There are descriptive terms for most of the standard career fields.

For companies that require security clearances it is strongly recommended that the following format be incorporated into your resume. In your "Heading" (your name, street address, city and telephone) be sure to show your e-mail address and your security clearance immediately below. These are the first two items the recruiter and the company want to know whether at a job fair, when pulling your resume off the web or when you send your resume electronically, by fax or snail-mail.

Check www.InformationCareers.com for IT opportunities outside of the areas requiring security clearances. More and more opportunities are being identified in Competitive Marketing, Information Management and Knowledge Management fields. Currently those without clearances will need to show previously held

positions that required a clearance. Check www.IntelligenceCareers.com for positions listings. The latest edition to this family of websites is www.ThinkingJobs.com, a site for opportunities that do not require a security clearance.

Another excellent resource for the Job Seeker is www.careerxroads.com for the quality information on web sites, and also for niche sites and the Nonprofit arena. When looking at Nonprofits and you require financial information go to www.guidestar.org.

A site for Technology Professionals that lists technical groups and their meetings, by geographic or subject area is www.JobCircle.com/public/events.

A site for nonprofits, their management, general data and salary information is BoardSource, formerly the National Center for Nonprofit Boards, is www.boardsource.org.

Check out the web site www.idealists.org for quality information and periodic Job Fairs for the Nonprofit arena usually scheduled with area colleges and universities. You can also post your resume with this site.

For Job seekers both in and outside the Washington/Baltimore area that are looking for listings outside the mid-Atlantic area, check the listed career fair providers for the listings of their scheduled career fairs across the US.

Websites of Career Fair Providers for individuals holding US Security Clearances:

ClearanceJobs.com www.ClearanceJobs.com is a Dice Holdings Company web site for individuals holding active clearances with DoD, DoE, NRC and NSA. Individuals can post their resume as well as look at posted positions calling for cleared personnel. The search for positions can be by state if desired. DICE is the one niche site that is still having great success in connecting IT job seekers with employers.

ClearedJobs.net www.clearedjobs.net offers the cleared professional opportunities to meet those employers with cleared positions across the nation and overseas. ClearedJobs offers free Job and resume postings, advance notice of career fairs and topic appropriate free seminars at each career fair. Perspective attendees are encouraged to pre-register. The website also offers links to useful and current videos on the various aspects of both job search and career management. ClearedJobs also

works with the various Wounded Warrior programs and has useful information for spouses of military personnel. See also the YouTube site: **Job Search Tips: References**

This group periodically offers a one-day seminar on securing opportunities with DoD contractors and other organizations holding security clearance required positions. It also provides a guide to the value of the resume (of individuals holding a clearance) in the Intelligence Community upon request. The requestor must hold a currently valid clearance, Secret or higher to ask for this free service. (*See IntelligenceCareers above for more detail.*)

Military Stars www.MilitaryStars.com. A relatively newcomer focused to the military. Offers career fairs periodically plus other services for separating military personnel.
