Hampton Roads Chapter, Military Officers Association of America

As we enter Fall 2021, MOAA Advocacy in Action 2021 presses forward. In concert, the National Defense Authorization Act 2022 (NDAA 2022) also moves forward. This update focuses on the status of two bills: Tricare Young Adult Parity and The Richard Star Act. In close, this Fall 2021 update spotlights the MOAA Council and Chapter Policies and Procedures Guide, Chapter Four, Section One, which is Legislative Support.

MOAA Advocacy in Action 2021

TRICARE Young Adult Parity

As of early September, legislation to expand TRICARE eligibility to young adult dependents up to age 26 and align TRICARE was not written into the House Armed Services Committee (HASC) version of the FY 2022 NDAA. Rep. Elaine Luria (D-Va.) introduced H.R. 475, the Health Care Fairness for Military Families Act, which served as amendment during the September HASC committee markup. She withdrew the amendment, knowing budget impact would rule the act out of order. The better news is that the bill may well have been better positioned for success next year.

To our ongoing advocacy with Tricare Young Adult Parity, MOAA President and Chief Executive Officer Lt. Gen. Dana Atkins, USAF (Ret) says, "It's time to modernize TRICARE eligibility and bring it on par with commercial

President's Message

Fellow Officers and Spouses,

As I'm sure you are all aware by now, we had to cancel our luncheon that had been planned for September due to the surge of the COVID Delta variant. We will try again to have that luncheon later with the previously scheduled speaker, Lt. Col. Shane Ostrom, USAF (Ret), CFP®, who is MOAA's Program Director, Financial & Benefits Education/Counseling. Currently we are working on a potential luncheon for late October. More information will be published as soon as we have details. We still have our annual Christmas dinner dance penciled in at Atlantic Shores for Saturday, December 4, 2021. Please mark your calendars and plan to attend.

The chapter's program planning committee is working on the planning calendar for next year so if you have ideas or events that you would like to see on the chapter's calendar, please send your ideas to Bert Ortiz at BertOrtiz@cox.net. We are also looking for venues that would be appropriate in size and cost so if you know of a place that would be suitable for a luncheon or other event, please pass that on to Bert as well.

As a reminder, you can stay abreast of the legislative issues that may impact benefits for you and your family by going to MOAA's Legislative Action page on the MOAA website. Here is the link: <https://takeaction.moaa.org/>

Many hands make light work! Have you ever heard that phrase before? Many of us have and likely in a time of need, when something needs to be done quickly and efficiently as a team. The phrase is simple, true, and is relevant to the Hampton Roads Chapter of MOAA. Each year in November, the chapter holds its annual meeting and election of officers and directors for the following two years of board membership and leadership of the chapter. We need additional help on the board. All but two of our officer and director positions are up for election this November. This is unusual and results from extending the officers and directors who would have been up for election last November for an additional year due to the COVID pandemic. That means we have eleven positions up for election. Many of the current board members have been serving on the board for ten years or more and they have done outstanding work in

They continue to volunteer and serve in a variety of capacities and epitomize the MOAA motto of “Never Stop Serving” but we need additional help and we are asking that current and new chapter members consider stepping up and give back to the chapter by serving on the board. CHAPTER BOARD OF DIRECTORS SEEKING TO FILL VACANCIES FOR 2022-2023

By CAPT Loren Heckelman, USN (ret)

Be a part of the award-winning Hampton Roads Chapter's leadership team!

Each November at the annual meeting of the chapter membership, chapter members vote for officers and directors to serve on the Chapter's Board of Directors for the upcoming year. Prior to the election, the Board appoints a Nominating Committee, typically chaired by the immediate past president (currently John McLaren) to identify candidates for the chapter members to vote on. We are underway with this process of identifying candidates and are soliciting your support.

In accordance with the bylaws, the administration of the Chapter shall be vested in a Board of Directors and an Executive Committee. The Board meets monthly for an informal meeting to conduct business. During the COVID pandemic, Board meetings have been conducted via Zoom, but in-person meetings will resume when it is safe to do so. Our last two meetings have been a hybrid format with some members attending in person and some via Zoom. Meetings typically include a review of the minutes from the last meeting, and reports from the Treasurer and the chairs of the programs, membership, legislative and community affairs committees. There is also an update from the Personal Affairs and the Surviving Spouse/Spouse committee chairs.

If you are interested in serving on the Chapter's Board of Directors, please contact the Chapter's Nominating Committee Chairman John McLaren (JohnPMcLaren@yahoo.com); Chapter President Loren Heckelman (Loren.Heckelman@cox.net) or any member of the Board. Officers and Directors are listed on the inside cover of the Tribute newsletter along with their telephone numbers.

SEEKING NEWSLETTER EDITOR TO WORK WITH 2022 BOARD OF DIRECTORS

By LCDR Aaron Zielinski, USN (fmr)

The Hampton Roads Chapter has delivered an award winning newsletter to our members for many years. An annual recipient of MOAA's Colonel Marvin J. Harris Communications Award, our chapter has been recognized for its outstanding job communicating with our members and community through both the newsletter and website. In 2015, long-time newsletter editor CDR John Vermillion, USN (ret) handed me the reins. Over the past seven years, I have had the pleasure of working with our Board of Directors to provide timely, important, and interesting chapter content to all of our members.

I'm extremely fortunate to have burgeoning career and family obligations and I am looking for the chapter's next newsletter editor. We publish the chapter newsletter, The Tribute, six times a year and it is one of the chapter's main instruments for keeping our membership up to date with news, upcoming chapter events, legislative updates, career transition advice, community affairs, and many other topics. Just like we are in need of volunteers to serve on the Chapter's Board of Directors, we are in need of the next Newsletter Editor. No need to be a publishing expert. If you have basic computer skills, you're well equipped to succeed! This veterans organization's lifeblood is its volunteers. This is a great opportunity to contribute to the veterans of the Hampton Roads community. If interested, please e-mail or call Aaron Zielinski at hrcmoaa@gmail.com or (757) 618-6945.

plans, Congressionally-directed military health system reforms have meant increased costs for many military families. Reform must also include addressing glaring parity gaps to ensure the TRICARE benefit reflects the extraordinary risks and sacrifices associated with military service and remains an effective recruiting and retention tool.”

To the aforementioned statement by Lt. Gen. Atkins and introduction of the Health Care Fairness for Military Families Act by Representative Elaine Luria (D-VA) and Michael Waltz (R-FL), let us continue our vigorous support and dedicated legislative advocacy.

Richard Star Act

During FY 2022 NDAA deliberations in last September, the House Rules Committee found the Star Act (H.R. 1282/S. 344) not in order as an NDAA 2022 amendment. Why? No avenue is yet identified to fund concurrent receipt for the 48,000 combat injured the Star Act would support. In short, the bill must gain majority support in the House to facilitate budgetary “Pay as You Go” procedures, which would allow progression to vote.

As of this writing, Senators Jon Tester (D-Mont.) and Mike Crapo (R-Idaho) are moving the Star Act as an amendment to the Senate version of the NDAA 2022. Pictured from left to right: Senator Crapo and Senator Tester.

MOAA Council and Chapter Policies and Procedures Guide,

The subject of Chapter Four, Section One of the MOAA Council and Chapter Policies and Procedures Guide is Legislative Support. In this section, the guide reviews advocacy basics all MOAA members should follow:

- Know and respect the basic legislative process.
- Maintain a positive attitude.
- Know the facts about the issues MOAA supports, as well as the opposing arguments.
- Promote only MOAA’s legislative agenda as approved by its board of directors.
- Present MOAA issues factually and unemotionally, with clarity and brevity.
- Be respectful and courteous, especially when disagreeing.

Whether the TRICARE Young Adult Parity and Richard Star Act, let us renew our Chapter Legislative Affairs Advocacy efforts. In so doing, let us proceed in the spirit of the aforementioned basics. Our Nation’s Veterans are depending on us to do so. Thank you for your support of HRCMOAA Legislative Affairs.

HONOR FLIGHT SUSPENDS ITS MISSION

By CAPT Mike "Breeze" Barea, USN (ret)

The continuing battle against the COVID -19 virus and the increasing threat of the Delta variant has led the Old Dominion Honor Flight (ODHF) Board of Directors to make the very tough decision to again suspend ODHF Mission 2 scheduled to travel on October 16, 2021. Another factor that led to this decision is the Korean War Veterans Memorial is currently being renovated. The statues are covered and a portion of the memorial is closed until Spring 2022. As with earlier decisions, the health and safety of our Veterans is and will always be the biggest concern. ODHF Mission 2 will now travel on April 23, 2022. HRCMOAA Board of Directors will provide further details as they become available. Keep checking the TRIBUTE for more information as the date draws closer. Thank you for your understanding and continuing support.

Portions of the above excerpt was taken from the ODHF Facebook page.

Veterans or guardians desiring to participate can fill out the application and mail it to the address shown on the application. Volunteer Opportunity for HRCMOAA Members

By: *CDR Bob Armour, USN (Ret)*

Would you like to Volunteer to help those in Hampton Roads with too little to eat? The Foodbank of Southeastern Virginia and the Eastern Shore could use our help as Volunteers for a two-hour shift at their warehouse at 800 Tidewater Drive in Norfolk. They need our help to do a little physical labor to organize the food they have for distribution. Usually, they are looking for volunteers from 1:00 PM to 3:00 pm Monday through Friday. If we have enough volunteers, HRCMOAA could cover an entire shift for one day by providing about 20 volunteers for one of these 2-hour shifts. Since most of us have had our COVID19 shots, masks will probably be optional.

If you are interested in volunteering, please email Bob Armour at bobpetraarmour@cox.net. Please let Bob know your name, cell #, email address, and which days in the week you are most likely to be available. Once we know how many volunteers we have, we will contact the Food Bank Volunteer Coordinator. He should be able to assign us a date several weeks in advance. We like to get more than 20 volunteers as we will want to have extra “standby volunteers” in case a primary volunteer has a last-minute emergency. Contact Bob if you have questions or suggestions. If there is enough interest, we will attempt to provide teams to the Food Bank on a regular basis.

Chapter Earns MOAA's 5-Star Level of Excellence Award for 18th Consecutive Year!

Our Hampton Roads Chapter was awarded MOAA's Five-Star Level of Excellence recognition for accomplishments, community service, legislative affairs work, and activities in 2020. The Chapter has earned the highest level award every year dating back to 2004. According to the MOAA website: "Every year, MOAA's affiliates compete to receive a four- or five-star Levels of Excellence Award. The very best councils and chapters receive five-star awards, while above-average councils and chapters receive four-star awards." The MOAA website goes on to say: "[The top winners] didn't just maintain satisfactory performance, but persevered and excelled during the pandemic, earning five-star awards. These councils and chapters, their volunteer leaders, and their members found new and innovative ways to serve their communities and help veterans, excelled in grassroots advocacy by nurturing relationships and educating elected officials (often virtually) and grew our shared membership even without in-person meetings."

Competition for the Levels of Excellence awards is based on criteria including percentage of chapter membership that belong to national MOAA; the number of chapter events; the number of newsletters published; proactive legislative affairs program; membership recruiting and retention; programs that enhance the image of the chapter and MOAA, including participation in community civic/patriotic events, collaboration with local ROTC units; and so forth. In spite of the COVID pandemic, the Chapter continued to promote its legislative mission with virtual meetings with Congressional representatives and their staffs. CDR Linc Smith, USNR (Ret) works tirelessly to promote and advocate for veterans issues. He routinely meets with both local and national legislators to educate them on MOAA's priorities and topics important to our chapter members.

Huge kudos go to our First Vice President, CDR Bert Ortiz, USN (Ret) for crafting HRCMOAA's Five-Star Award submission again this year and showing National MOAA the great things our chapter and Board of Directors accomplished during 2020.

Community Affairs - Hampton Roads Chapter ROTC Scholarship Fund

CDR Bob Armour, USN (ret)

This past year, several of your HRCMOAA board members met with Ms. Andrea Rand, the director of the MOAA Scholarship program to request some changes to how scholarships in our chapter name were being awarded. As a result of our suggestions and input, the MOAA Scholarship Fund Board has agreed to make several important changes. The MOAA Scholarship Fund Board now gives preference in awarding scholarships and grants to children with HRCMOAA chapter member parents. While not guaranteed to go to the child of a chapter member, those children applying for MOAA scholarships with a parent who is a chapter member will receive favorable consideration and the review board will give preference in awarding scholarships to those children. Regardless of whether the student's parent is a chapter member or not, students selected for MOAA scholarships in the chapter name will always be from the area represented by our Hampton Roads Chapter. Below is the status of our chapter scholarship fund both for this year and overall for the 5-year goal.

	GOAL	Contributed	% of Goal	Need Dates	Still Need
As of 06/01/2021	Total Goal \$25,000	23,266.50	93%	Need by 12/31/2022	\$1,733.50
