President's Message

Fall is here, and we have several important events and opportunities coming up for our organization. I hope you will mark your calendars and, most importantly, plan to participate.

The next Honor Flight Mission is October 17th. This is always a special opportunity to recognize and honor our veterans as they make this very special trip to see the memorials in Washington, DC. If you are able, please come out and give our veterans a great send-off as they begin their journey. Your presence and support mean a great deal to those who have served our country. Many of you are eligible to be honored in this way as well. You can find details at <https://olddominionhonorflight.org>.

Our October luncheon will be on Friday, October 16th. Barbara Smith, HRCMOAA Board member and Surviving Spouse will provide a presentation on "The Day After Calls", notifications which must be made with the Passing of a Military Retiree or Surviving Spouse.

Our November 20th luncheon will be a busy one. In addition to our regular gathering, we will be conducting our annual election of officers and board members and holding our Toys for Tots drive. Please consider bringing a new, unwrapped toy to help make Christmas a little brighter for a child in our community.

The election also provides an opportunity for members to become more involved in the future of our organization. We need members who are willing to step up and volunteer. Whether you are interested in serving as an officer, joining the board, or simply helping with one of our activities, your participation is important. Our organization depends on members who are willing to contribute their time, ideas, and experience.

FROM PRESIDENT'S MESSAGE 2

President Message, cont.

Membership also needs your help. Think about the military veterans, retired military personnel, spouses, and others you know who are eligible to join. Please invite them to attend a luncheon, tell them about our organization, and encourage them to become members. The strength of our organization depends on continuing to bring new people into our ranks.

Looking ahead to December, we have two special events to look forward to. Our annual Surviving Spouse & Spouse Tea will be held December 2nd at Princess Anne Country Club. Please see the flyer in this newsletter for details. It is a wonderful opportunity to come together and recognize those who have been an important part of the military family.

Then, on December 5th, we will celebrate the season at our Christmas Dinner Dance in the Magnolia Room at Atlantic Shores. Please see the flyer in this newsletter for all the details. I hope you will plan to join us for an enjoyable evening with friends and fellow members.

We have a lot happening over the next few months, and each event is made better by the participation of our members. I encourage you to get involved, invite someone new to join us, volunteer when you can, and most of all, enjoy the fellowship that makes our organization special.

Please check the website regularly for details on upcoming events and other valuable information of interest to our membership. Details are posted on the chapter website (www.hrcmoaa.org).

I look forward to seeing you at these upcoming events.

Sincerely,
Loren Heckelman

HRCMOAA Legislative Affairs Corner

September 2026

MOAA Summer AiA has closed with a focus on Military Spouse Hiring, Duty Status Reform to consolidate roughly 30 reserve duty status to four and Government shutdown fairness and impact on servicemembers pay and benefits.

The key legislative issue that MOAA is now focusing on is HR 9237 (Take Care of America's Veterans Act). This bill consolidates more than 60 individual bipartisan veterans bills into one sweeping piece of legislation.

District 2 Congresswomen Jen Kiggans was an original co-sponsor of the bill when introduced June 10, 2026. While the bill includes major long-awaited improvements for military retirees and survivors it has sparked intense controversy.

Here are some of the primary pros and cons of the act:

Pros (MOAA, American Legion, Wounded Warrior Project, AMVETS and over 22+ other organizations support)

Concurrent Receipt: Includes the Major Richard Star Act. Allowing roughly 54,000 combat-insured veterans to receive both their full military retirement pay and VA disability compensation simultaneously without offsets

Survivors Protections: Includes the 'Love Lives On Act', allowing surviving Gold Star spouses to remarry under certain conditions without losing their VA dependency and indemnity benefits

Catastrophic Disability Support: Significantly expands benefits and care provisions for severely disabled

FROM LEGISLATIVE PAGE 4

veterans, such as those requiring specialized spinal cord, ALS, MS, or bowel and bladder care.

Mental health and Rural Access: Expands mental health services, substance abuse programs, and healthcare options for veterans living in underserved rural and urban areas.

Cons (VFW, DAV, Iraq and Afghanistan Veterans of America and 50+ other organizations oppose including a coalition of 22 labor unions including AFGE)

Disabled Rate Reduction: To fund the bill, Congress proposes changes to how the VA calculates disability ratings for sleep apnea and tinnitus.

Impact on future Veterans: Organizations like VFW argue that this change could strip or reduce future disability compensation.

Intergeneration Divide: Opponents argue the bill creates a bad precedent by “pitting generations of veterans against one another” – forcing future service members to pay for the benefits of past combat veterans

VA Privatization Concerns: Labor groups, including the AFGE, oppose the bill due to language that could outsource clinical research and privatize select mental health services

VA Home Loan Fee Increases: Some veteran advocates argue the bill places an unfair burden on future buyers by implementing higher fees on certain VA home loans

Current Status and Next Steps:

House leaders pulled the bill before a final vote I mid-July 2026. The Senate Companion measure (S.4744) sits on the legislative calendar.

Floor Rescheduling: House leadership must decide when to bring the omnibus package back to the floor for additional debate and a final vote

Controversy and Negotiations:

Lawmakers are facing intense lobbying from veteran service organizations over specific funding offsets and provisions like Section 108, which may prompt amendments or stall progress before it can move to the Senate.

The MOAA Scholarship Fund Board gives preference in awarding scholarships and grants to children with HRCMOAA member parents. While not guaranteed to go to the child of a chapter member, those children applying for MOAA scholarships with a parent who is a chapter member will receive favorable consideration and the review board will give preference in awarding scholarships to those children. Regardless of whether the student’s parent is a chapter member or not, students selected for the MOAA scholarships in the chapter’s name will always be from the area represented by our Hampton Roads Chapter.

How You Can Contribute to the Hampton Roads Chapter Scholarship Fund

The Hampton Roads Chapter has been very successful and fortunate in its previous two five-year scholarship fund campaigns thanks to the generosity of the chapter members and their commitment to helping young men and women attend college through scholarships and grants from MOAA. As a result of the success in the previous

FROM SCHOLARSHIP 2026 ON PAGE 13

two campaigns, the board decided to commission another five-year scholarship fund campaign to run from 2023 through 2027 with an annual goal in each year of \$5,000.00 and an overall five-year goal of \$25,000.00.

There are several ways you can donate to the HRCMOAA scholarship fund. All donations are tax deductible as the MOAA Scholarship Fund is a qualified IRS 501(c)(3) entity.

The first way is for members to submit their donations online by using the following website URL:
<https://charities.moaa.org>

The second way is to submit a check, made out to the MOAA Scholarship Fund and mail it to:

MOAA Scholarship Fund
P.O. Box 1824
Merrifield, VA 22116-9917

Important: Note on your check that it is for the Hampton Roads Chapter Scholarship Fund. MOAA will continue to send receipts to all contributors.

A third way is to make a Qualified Charitable Distribution. The fund tax identification number is 54-1659039. By contributing from the Required Minimum Distribution (RMD) of a qualified IRA, the taxable IRA income can be reduced by the amount of the contribution. The contribution check must be marked as a charitable contribution. With the recent changes in the tax laws, some of our members have found this method to be beneficial. You can make qualified charitable distributions (QCDs) of varying amounts to more than one charitable organization each year. IRA owners age 70 ½ or older can give up to \$100,000 a year directly from their IRA to qualified charities. But you can split that amount among multiple charities. Say you want to give a total of \$50,000 through the QCD move. You could give five charities \$10,000 each, for instance, or two charities \$25,000 each. Just tell your custodian which charities you want to support and how much to transfer directly from your IRA.

Not only will the charity benefit from the QCDs, but you will too. The QCD amount is excluded from your taxable income and can also count toward your annual required minimum distribution. It's a win-win-win. For additional details, it would be best to contact your IRA fund manager, personal financial planner or tax accountant for specifics.

You also may contribute directly from bequests, wills, or trusts. You can find suggested language here:
<https://www.moaa.org/content/about-moaa/scholarship-fund/scholarship-fund-planned-giving/>

From the Editor

Hans Peter Juhl Hidle, LT USN (Ret.)

Where did it all go? That is summer. We are already a couple of days into October. Looks like it is finally going to start cooling down a bit.

What else is going on in the editor's life. Wife and I celebrated 20 years of wedded bliss. I know that compared to most of you we are rank amateurs. We headed to Key West to celebrate. Haven't been there in a long time. The first time was while working on a special project for the Navy, and the second time was as a pit stop on a Royal Caribbean cruise. We stopped by Margaritaville and other watering holes on Duval Street.

What will I do when I retire? Well my daughter has hired me as the Head Master at the Izzo School of Advanced Middle and Grade School Academics. Yes, I will be home schooling my grand-daughters starting next summer. Wish me luck. I am not certain that I am smarter than a 5th grader.

If you want to contact me about my upcoming retirement or any other topic. My email is — hansjuhlhidle@gmail.com. I appreciate any and all feedback.

Sincerely, Hans
