

Pembroke Meadows Civic League  
General Membership Meeting  
February 22, 2019

A brief meeting was held during the Civic League Pot-Luck Dinner. Kate called the meeting to order to discuss a change in the proposed 2019 budget that was printed in the February newsletter and which was to be voted on at this time.

The figure that was changed in the tentative budget was for Pool Improvements under Community Support. This cost had originally been \$15,000 and was changed to \$23,000 as recent quotes had increased for the shade structure. This change brought the Total Expenses to \$34,322 and the Deposit to Money Market figure to \$17,013.

A motion was made to vote on the 2019 budget and it was seconded. The vote resulted in all members agreeing to pass the 2019 Civic League budget as discussed with the above changes.

The meeting was adjourned and the social event continued.
