Announcements - Please take time to get registered so that you can vote in the June election. Politicians don't pay much attention to un-registered voters - they should - but they don't. We can be very effective in dealing with our elected representatives if they realize that collectively we represent hundreds of votes.

Reminder - The May general meeting will be the last until September. Board meetings will continue through the summer.

This administration wants all to know we stand ready to open the books of the Civic League to any member. If interested call Mr. Cunningham with reasonable advance notice and he will coordinate.
