HELP OUR KIDS!!

The next Civic League meeting will be held on March 16th, same time, same place. We are dedicating this meeting to the most important part of our lives: our children. Recently your Civic League board met with some concerned teenagers who were instrumental in establishing the past successful, but now defunct Junior Civic League. Their appeal for assistance from our Civic League was indeed sincere -- these kids -- our kids -- desperately need our guidance and assistance. To achieve this end, we have asked them to appear at the March Civic League meeting to explain past accomplishments and future aspirations. What can YOU Do? Bring your teenager to our meeting; give them an opportunity to see their parents in action. If ever the kids needed us, now is the time. Show them you really care -- bring yourself and your kids.
