### Trespassing:

If a property is posted with a NO TRESPASSING sign, violating this sign can lead to prosecution. If you have any legal questions concerning your rights as a homeowner with regard to property laws in Va. Beach, questions can be directed to the City Attorneys Office, 427-4531.

### Our Tax Laws:

If a bill that you receive is itemized so that parts and labor are two separate items you can only be charged sales tax on the parts. If you walk into a florest and order flowers (plants etc.) to be delivered, you cannot be charged a sales tax on the delivery charge. However, if you phone the order in, the sales tax must be applied to the delivery charge as well as the floral order. DO NOT PAY MORE SALES TAX than you legally have to. (The above information was obtained for us by Colony Beach Florest, Pembroke Meadows Shopping Center, and Virginia Beach Engraving and Trophy Co.)

### Pembroke Blvd. Beautification:

The work on our entranceway is part of a beautification effort on the part of the Civic League and Garden Club, to improve and maintain the appearance of the entire length of Pembroke Blvd. To this end, we are also sending letters to all residents along the Blvd. asking their particular cooperation. It is also important that all residents of the Meadows and Shores cooperate in reducing the unrightly litter being discarded along the street, and by paying your Civic League Dues which are used, among other things, to maintain the entranceway. Our entrance way "sets the tone" for our entire community and one real estate authority estimates that an attractive neighborhood entrance can add thousands of dollars to community property values by directly influencing the initial impression of prospective buyers.

### Protect Yourself:

Have you taught your children to answer the phone, "Mikulka residence Jennifer speaking?" According to the police, this is wrong. Never give away information to people that you might not know. Children should be taught to answer "Hello". If your parents are not home and somebody calls for them you say they are busy and may I take a message? If you are ever attacked don't keep it a secret, report it to the police at once. Give information about the attacker so it won't happen to someone else. Police phone--427-5000.

### Second Median Strip:

The Civic League would like to express it's thanks to the Garden Club for their work in completing the second median strip. The second median strip will be the site of a plaque dedicated to Dick Etter, Civic League Pres. in 1975, who died of a heart attack shortly after working there, two years ago. Thanks are also due to those members of the Junior Garden Club and Civic League who aided in the planting.
