KEY FACTORS IN THE COMMUNITY SECURITY PROGRAM ARE YOU, ME AND OUR NEIGHBORS. TO FIND OUT THE SPECIFICS OF HOW THE PROGRAM WORKS AND TO ENSURE WE HAVE AN EFFECTIVE PROGRAM IN OUR COMMUNITY, ALL RESIDENTS ARE ENCOURAGED TO ATTEND. MEADOWS

### REMINDERS

VIRGINIA BEACH CURFEW: The City of Virginia Beach has a midnight curfew for all children 16 years of age or younger.

SPEED LIMIT: The Pembroke Meadows/Shores community has a posted 25 mile per hour speed limit. Please protect our children who have a tendency to play or walk in the street by observing the posted signs.

DEED RESTRICTIONS: Home owners--- before making any changes or additions to your property--- it is important for you to check your Deed Restrictions to find out if the proposed changes are legal. Deed Restrictions can be found in the back (Blue Section) of your community directory.

TRASH PICKUP: Trash pick-up in the community is every Tuesday and Friday. It is recommended that trash not be put out prior to 5 PM on the preceding evening. To prevent your trash being ransacked by dogs or vandals and spread over the entire street, put your trash out the morning it is picked up. These procedures will help keep our community clean and neat in appearance.

## CIVIC LEAGUE ELECTIONS

The time is here again to start thinking about selecting those persons who you would desire to have sitting as the officers of your Civic League. Elections for the 1978-1979 Civic League will be held on May 18th at the Civic League meeting. The Nominating Committee must present a slate of potential officers to the general membership during the March Civic League meeting.

Residents desiring to run for office or who know someone who might run should contact one of the following members of the Nominating Committee: Gary Romska, Chairman, at 497-6552; Margie Bratman at 497-0565; Jack Enoch at 499-5658; or Sue Ott at 499-5043.

## MEMBERSHIP DRIVE

Like our new directory, our membership drive has also slipped. However, during February and March the Civic League and Recreation Center Board of Directors are going to join forces and have a combined membership drive.

Each resident will receive a combined Recreation Center and Civic League bill in February. Specific instructions for paying the Recreation Center and Civic League dues will be included with the bill. Residents desiring more detailed information regarding membership dues, call Dick Lowman (Recreation Center) at 499-6263 or Ann Enoch (Civic League) at 499-5658.

## RECREATION CENTER NEWS

On 26 January a quorum of the Recreation Center general membership passed the Recreation Center By-Laws changes as published in the November 1977 Civic League Newsletter. All changes were effective as of 27 January 1978.

The Recreation Center proposed 1978 budget was presented to the general membership at the 26 January meeting. The Recreation Center Board of Directors will finalize and approve the budget at their February meeting. The finalized budget will be mailed to all members during the month of February.

Due to the increase in salaries and utility costs, it is anticipated that the annual pool dues will probably have to be raised to \$85.00. The Recreation Center Board of Directors will determine the actual dues at their February meeting.

## GARDEN CLUB IS APPRECIATED

On behalf of the Civic League Board of Directors and community residents, I wish to express our sincere appreciation to the Garden Club for arranging for the new plants which have been placed in the Entrance Way median strip which will add to the beautification of our community during the Spring and Summer months.

## NEW COMMUNITY DIRECTORY

Yes, there really is a new directory. Although we did not make our December target date, the new community directory is presently being printed and will be distributed to all residents during February. The section listing community residents is current as of 1 November 1977 - New residents or those residents desiring changes should contact any Civic League Board member. Changes will be published as a directory change later this year.

I wish to express my sincere thanks and appreciation to everyone who participated in compiling, preparing and distributing the new directory. And, a special note of thanks and appreciation to Joe Avoli who directed the effort and designed the structure of the new directory. Congratulations, Joe, on an outstanding and truly professional product.

## ENTRANCE WAY LIGHTS

As you have noticed, most of the street lights along the Entrance Way are not working. The damage to the lights is a result of vandalism, the recent wind storms and an electrical short in an underground cable. We have contacted the electrician to make the necessary repairs and hope to have all the lights working again by mid-February.

## GARDEN CLUB MEETING

The March Garden Club meeting will be held Thursday, March 9 at the Research Station on Diamond Springs Rd. The program for this meeting will be a Workshop on Plant Cuttings. Interested parties, please call Sally Elstrodt, President, at 497-4553 or Jeanette Willenbrink, Membership Chairman at 497-2057.

Garden Club meetings are held on the 2nd Thursday of each month. Plan to attend.

## SHOPPING CENTER/TOWNHOUSE FENCE

The Pembroke Meadows Merchants' Association has agreed to replace that portion of the fence between the Shopping Center and the Townhouses which is on Shopping Center property. This means that all of the fence will be replaced except for the last six townhouses on St. Dennis Court (house #801, 803, 805, 807, 809 and 811) where the existing fence sits on the Townhouse property. The contractor, however, has agreed to install the fence all the way to Pembroke Blvd. if the Townhouse owners agree to pay for their individual share of the cost. The contractor has agreed to install the portion of the fence on Townhouse property at a reduced cost to the homeowner, providing the work is accomplished simultaneously with the Shopping Center portion of the fence. For more detailed information, call Bill McIntire at 497-4370.

## STATUS OF OLD DONATION PARKWAY

We wish to express our sincere thanks to Mr. Russell Dickens, President of the United Citizens Against the Parkway (UCAP) and Ms Martha Kessler for providing a very informative and factual presentation on the history and present status of Old Donation Parkway. As was pointed out by Mr. Dickens, a portion of Old Donation Parkway has been completed (near Virginia Beach General Hospital) and the project still remains on the City's Master Transportation Plan. However, funds for the conversion of Pembroke Blvd. to Old Donation Parkway, as well as the bridges necessary to link the necessary road segments, have not been identified or proposed.

Our March 16th Civic League Meeting will again have as our main topic "Old Donation Parkway." After reading our January Newsletter, Mr. Edwin S. Clay, III, Assistant to the City Manager for Public Information and Human Resources, sent us a letter offering to have a member of the City's Department of Public Works address our Civic League on the status of Old Donation Parkway. Mr. Lambert, Director of the Public Works Department, will be our guest speaker on the 16th of March and address the "Old Donation Parkway" project, its present status and future plans.
