In lieu of the regular May Civic League Meeting, we intend to have the "Country Hoedown." (Square dancing - family fun for all 10 years of age and older). Details will be in the May Newsletter. Agenda for the evening will be as follows:

1. Election of new Civic League Officers.

2. Installation of Officers
3. Square dancing with instructional caller.

CIVIL LEAGUE MEMBERSHIP DRIVE

Our annual membership drive is falling behind our anticipated goals. As of 30 March, only 35% of community residents have joined the Civic League this year. Our goal remains 100% community membership.

WE NEED YOUR SUPPORT. The modest \$5.00 membership fee per household covers all adults (18 years and over) residing within the household. This money is used to support community programs such as maintenance of the entrance way, the printing and distribution of this newsletter, Santa's annual visit and other community parties and activities. Every dollar is used within our community, for the residents, in an effort to make Pembroke Meadows/Shores a "Super" place to live.

If you have not mailed your check yet - please do so today. Make checks payable to "Civic League of Pembroke Meadows, Inc." and mail to:

Post Office Box 5018
Virginia Beach, Va.

Attn: Anne Enoch

If you have not received your membership drive letter, please contact our Membership Chairman, Anne Enoch, at 499-5658.

BLOCK SECURITY PROGRAM

Our Block Security Program has gotten off to a fine start and Bob Brotman (Chairman of the Block Security Committee) has held his first House Security Survey/Block Organization Meeting. The results of this meeting will be discussed at the April Civic League Meeting.

For your information, we have had over 20 break-ins/burglaries in our community since the first of the year. Let's all get together and support Bob in organizing our community. We will all benefit.

COMMUNITY PRIDE

Your Civic League Board has recently received an increasing number of calls concerning the appearance of neighborhood homes and property that appears to be declining in appearance, vehicles that are inoperable or under extensive repair for prolonged periods of time and excessive amounts of trash or discarded articles. Your Civic League Officers respond to these calls and contact the property owner/renter in an attempt to assist or discuss solutions to correcting the problem and improving the appearance of our community. However, it is quite obvious that so few people cannot observe the entire community and contact or offer assistance to everyone who might require this service.

If you are concerned or aware of someone's property who might require this service, please contact your Civic League Board members, and they will make every effort to contact these persons that might require assistance. Should any resident desire to contact the City of Virginia Beach concerning inoperable automobiles, vehicles undergoing excessive repairs for prolonged periods of time, excessive trash or debris in yards or alongside homes, or homes in states of disrepair with broken windows, fences falling down, excessive weeds or grass, they may call the following agencies for assistance:

- Vehicles- - - - -427-4211
- Trash and Debris- -427-4261
- Home Disrepair- - -427-4421

Inspectors from these agencies will contact the residents of the addresses reported. In the continuing effort by the City of Virginia Beach to maintain our City and property values the City periodically observes neighborhoods for violations of the City Codes as they pertain to homes, yards, vehicles and neighborhoods in general. This program will be conducted by the City of Virginia Beach in our neighborhood during the forthcoming months. Violators will be contacted by the various agencies for corrective action. Your home is your largest and most valuable asset and is providing you and your family with the very best investment you will ever own. By all residents maintaining their homes and property to the very best of their ability, everyone's investment will yield the very highest return while providing you and your family a wonderful home and neighborhood in which to live. Let's all get together this spring and FIX UP... CLEAN UP.... and KEEP UP!!!!!!!!!!!!

THANKS FOR YOUR EFFORTS

Thank you Garden Club members for continuing to beautify our community - especially for replacing the Crepe Myrtle trees at the Pembroke Meadows Elementary School.

OLD DONATION PARKWAY

We wish to express our sincere thanks to Mr. C. Oral Lambert, Jr., Director of Public Works, for providing a factual and very informative presentation on the status of Old Donation Parkway. Mr. Lambert stated that the project remains on the City's Master Street and Highway Plan, but it has been delayed or postponed in favor of higher priority projects. There is no schedule for the completion of the Pembroke Boulevard portion of the Parkway.

Mr. Lambert also stated that Civic League Recreation Center property and our Park (both owned by the Civic League) would not be effected by the Parkway, and that we would retain ingress and egress rights to the property.

Old Donation Parkway remains a reality, but its completion date and long-range effects on our community are still unknown.

MOWING OF CITY PROPERTY ADJACENT TO PEMBROKE BLVD.

The topic of "Who is responsible for mowing the city property adjacent to Pembroke Blvd." was discussed at some length with Mr. Lambert during the March Civic League Meeting. Of significance to the property owners along Pembroke Blvd. is that the City has agreed to cut all the grass on City owned property along the Blvd., not just the 10 foot strip as they have done in the past. I wish to take this opportunity to thank all those residents who, in the past, have mowed the city property adjacent to their homes and helped to keep up the appearance of our community.
