News Letter

JUNE 1979

PRESIDENTS CORNER

Writing a column for the first time as a new officer for an organization is usually the hardest. There are so many things I want to talk about and so little space to do it. However, I have over a year to express my views so I imagine I'll succeed.

Many people have asked me "why get so involved in the Civic League, all you'll do is make enemies?" The answer isn't simple because it would be much easier to sit on the sidelines, let others do the work, and criticize. However, when I look around, too many people are doing that already and there aren't any seats available.

I guess one of the biggest reasons to get involved is that I have a stake in this community, what it is - I am!

Like most of you, my house is the largest financial investment I have made in my life to date. And, may be the largest one I ever make, My house's value is directly related to the value and upkeep of the homes in Pembroke Meadows/Shores. If I can keep my home up in value then I have a right to make a demand on others - and so do you! If this community's homes are high in value than mine will be also.

Another reason I have become involved, and you should also, is because I want a say in how my community is managed. And I believe, the only legitimate way to have my opinions heard is to give them credence by backing them up with my own activity. Too often I have been at meetings where people are loaded with suggestions but no one "wants to get involved" when it comes time to implement them.

This is the beginning of a new term of tenure for the Civic League. There are openings on almost every committee for those of you who care about your community and your own home. If you want to be heard in the future get involved now. Call any officer of the Civic League and let them know you can help, even if it's only one or two hours a week - which is all that is usually needed!

COMMUNITY PRIDE

Your Civic League Board has recently received an increasing number of calls concerning the appearance of neighborhood homes and property that appears to be declining in appearance, vehicles that are inoperable or under extensive repair for prolonged periods of time and excessive amounts of trash or discarded articles. Your Civic League Officers respond to these calls and contact the property owner/renter in an attempt to assist or discuss solutions to correcting the problem and improving the appearance of our community. However, it is quite obvious that so few people cannot observe the entire community and contact or offer assistance to everyone who might require this service.

If you are concerned or aware of someone's property who might require this service, please contact your Civic League Board members, and they will make every effort to contact these persons that might require assistance. Should any resident desire to contact the City of Virginia Beach concerning inoperable vehicles, vehicles undergoing excessive repairs for prolonged periods of time, excessive trash or debris in yards or alongside homes, or homes in states of disrepair with broken windows, fences falling down, excessive weeds or grass, they may call the following agencies for assistance:

- Vehicles ----- 427-4211
- Trash and Debris ----- 427-4261
- Home Disrepair ----- 427-4421

Inspectors from these agencies will contact the residents of the addresses reported. In the continuing effort by the City of Virginia Beach to maintain our City and property values, the City periodically observes neighborhoods for violations of the City Codes as they pertain to homes, yards, vehicles and neighborhoods in general. This program will be conducted by the City of Virginia Beach in our neighborhood during the forthcoming months. Violators will be contacted by the various agencies for corrective action. Your home is your largest and most valuable asset and is providing you and your family with the

very best investment you will ever own. By all residents maintaining their homes and property to the very best of their ability, everyone's investment will yield the very highest return while providing you and your family a wonderful home and neighborhood in which to live. Lets all get together this spring and - FIX UP - CLEAN UP - and KEEP UP!

PEMBROKE MEADOWS/SHORES
RECREATION CENTER NEWS

COME ON IN THE WATER'S FINE! The last of May brought the culmination of four months of planning. Your pool opened on Memorial weekend. Since that time, weather permitting, the pool has been operating daily. On 31 May a general membership meeting was held. A follow-up general meeting will take place at the pool on 29 June at 7:30 p.m.

MEMBERSHIP! The Rec Center membership is approximately 75 short of its 250 member goal. If the short fall is not significantly reduced by the end of June it will mean that operating hours will be cut. Consider options presented at the May general meeting and be ready to make a decision at the June meeting concerning future operating hours. Better yet if each of our present members would get one additional member the goal would be exceeded. There are over 600 homes in our neighborhood. That means 400 of our neighbors are not members. Surely, there are at least 75 families who just need to be told about the advantages of belonging to a REC Center within the community. All we need to do is talk to these people and extol our pool. Urge them to contact any committee member or the can join right at the pool.

SWIM TEAM! The team swings into action when practice starts on the 18th of this month. As in past years the competitive season is full of activity. Registrations are being accepted at the pool an any time when the pool is open. The fee is \$5.00 perswimmer for Rec Center members and \$35.00 per swimmer for Non/Rec Center Members.

REC CENTER CONT! SWIM LESSONS! Lessons are underway at present for adults. As seen as summer vacation is here swimming instruction for the children will commence. There are still openings in all classes and registration is being accepted at the pool. Interest is high at all levels of instruction so register early. The fee is \$5.00 per member, \$20.00 maximum per member family and \$10.00 per non-member.

GENERAL MEMBERSHIP MEETING! There were approximately 100 voting members present at the first meeting. Although the attendance was gratifying it was but 1/3 of our voting membership. Several novel ideas were suggested to enhance our pool. Each new idea will be considered by the Board. One of our concerned members donated a ping pong table for which we are grateful. Another gave a monetary gift to the Rec Center over and above his annual dues. With that kind of support we will have a successful season. The pool belongs to its members the Board merely carries out the desires of the majority of Rec Center members. The following paragraphs, illustrate the desires of the membership in regards to the guest fees.

RECREATION CENTER GUEST FEES! At the request of the Pembroke Meadows/Shores Recreation Center General Membership, the Recreation Center Committee has modified the Guests and Guest Fee regulation to authorize members to extend pool privileges to bonafide overnight house guests without charge. Please amend your copies of the Recreation Center Rules and Regulations by replacing the "Guests and Guest Fee" paragraph on page 5 with the following:

"Overnight Bonafide House Guests: Recreation Center Members are authorized to extend usage of the Pembroke Meadows/Shores Recreation Center facilities, without charge, to bonafide overnight house guests visiting from outside the Tidewater Area. The Recreation Center Member must give the Pool Manager a letter containing the guest(s) NAME, PERMANENT HOME ADDRESS and DURATION OF STAY. Upon receipt of the letter, the Pool Manager or Senior Life Guard will issue "GUEST POOL PASSES" to the Recreation Center Member. Guest Pool Passes must be signed for by the Recreation Center Member and returned to the Pool Manager within three days after the guest(s) terminate their visit. Members will be responsible for lost Guest Pool Passes and will be charged a \$1.00 replacement fee for all passes not returned to the Pool Manager.

BONAFIDE DAY HOUSE GUESTS: Guest Fees for bonafide Day House Guests of pool members will be \$1.00 per day, per person; except for children under three (3) years of age who will be admitted free. Residents of Pembroke Meadows/Shores who are members of the Recreation Center are not classified as bonafide guests. The bonafide day house guest must be accompanied by a Recreation Center Member. Any extended use of this privilege for purposes of avoiding payment of membership fees or other financial consideration shall be prohibited. Any one guest will be restricted to a maximum of fifteen (15) days during the season.

RESIDENTS OF PEMBROKE MEADOWS/SHORES WHO ARE NOT MEMBERS OF THE POOL ARE PROHIBITED FROM USING THE POOL FACILITIES ON A GUEST BASIS; EXCEPT ON TEEN NIGHTS, PRIVATE POOL PARTIES AND SPECIALLY DESIGNATED EVENTS.

TIDEWATER AREA; The Tidewater area is defined as Virginia Beach, Norfolk, Chesapeake, Portsmouth, Hampton and Newport News."

Again wishing you many happy hours at the pool, Your Board.

REMINDER! Median Beautification Project will be held the second Saturday of each month, 8 a.m. until noon. Have some pride in your community. Help clean trim and edge. Our appearance depends on you!
