SEPTEMBER 1979

### PRESIDENT'S CORNER

Having been president of the Civic League for four months now, I've witnessed the dedication of a few for the enjoyment of the community. A small group of neighbors, perhaps no more than fifty, have consistently worked year in and year out to maintain the high standards of the Meadows and Shores for its over 600 families.

On Thursday, September 20th, Bill Connerat, a member of your community, has arranged a program which will benefit you and your children. I urge you to make time on that evening at 7:30 p.m. to attend.

Participation by all of us is needed every year if we are to maintain our community. To those ex-board members of years past, please come out once again, to those new members of the community - come out and meet your neighbors.

I would like to extend a personal invitation to the following people and their families to attend our meeting on September 20th:

Ron & Florence Adams - Severn Dr.  
Raymond & Cynthia Chaput - Hudgins Ct.  
Don & Sandy Cunningham - Whitechapel Ct.  
Derek & Betty Dunn-Rankin - St. Martin Ct.  
Helen Perry - Bishop Dr.  
Bernice Petty Cambria St.

Won't you invite your neighbors to attend?

GARY ROMSKA

### SEPTEMBER MEETING

The first meeting of the 1979-80 Civic League will feature a presentation of bicycle rights and responsibilities. On Thursday, September 20th, Bill Connerat, of the Meadows, will team up with a local area police officer to offer an informative discussion on bicycles.

Now is the time to bring your children to a meeting which concerns them the most. 7:30 p.m. is the time of the meeting to be held in the Pembroke Meadows Elementary School. Refreshments will be served.

### VIRGINIA BEACH POLICE TO ENFORCE BICYCLE LAWS

The increased number of bicyclists using the roadways in Virginia Beach has created dangerous conditions which effect both motorists and pedestrians. In general, cyclists do not realize that they are subject to and must obey the same traffic laws that govern the operator of a motor vehicle. Also of immediate concern are the number of bicycles stolen and the lack of proper registration.

VA. BEACH POLICE CON'T

In an effort to bring about safer traffic conditions and compliance with our city statutes, beginning Sept. 15, there will be a concentrated effort by the Virginia Beach Police Department to enforce all bicycle laws and inspection for proper registration. Violations will result in summonses being issued.

License and registration forms may be obtained from the City Treasurer's Office between 9:00 a.m. and 5:00 p.m., Monday through Friday, at a cost of \$1.00. This registration is valid for the lifetime of the bicycle.
