MAY 1981

PRESIDENT'S CORNER

The meeting this Thursday night will be the last general meeting until the Fall. The topic of discussion will be the pool. If you have any questions about the pool or its operation, be sure to bring them to this meeting.

The Spring Flea Market was a huge success as usual. I would like to take this opportunity to publicly thank all those who gave their time to make it happen: Cy McIntire and the entire McIntire Family (Bill, Barb, and Van), Ethel Weisman, Gary Romska, John Durso, Henry Dean. At this time, we are planning another successful Flea Market for September. Start planning for it now.

THE CONTINUING SAGA OF THE
PROCASTINATORS

Who are they? They are your neighbors and friends, the guy down the block-- they are US. With less than a week to go until the opening of the pool, we are only a little more than halfway in meeting our minimum goal of 200 members. We have over 80 past members, many for several years, who have not indicated their intentions of rejoining or going inactive. I presume they know they are going to join but like keeping everyone in suspense.

WE NEED YOUR HELP if we are going to offer a full range of activities over this extended season. Please talk to your neighbors and friends. As stated in previous newsletters, if each current member brought in just one additional member, we would exceed our goal. REMEMBER IT'S YOUR POOL! The members of the Board have been totally underwhelmed by the support in preparing the pool for opening--but it's ready. We cannot succeed without your support for membership. The pool belongs to you. USE IT OR LOSE IT!!

If you are interested in joining the Recreation Center or know someone who is, call Dennis Michele (497-3917) or Mort Kenyon (497-3910) for full information.
