PRESIDENT'S CORNER

At the quarterly meeting on April 21, a suggestion was made to place stop signs or speed bumps on Bishop Drive in order to slow down some of the traffic along that thoroughfare.

Summertime is coming and windows will be open so kindly think of your neighbors and either muffle the noise or drive slowly through the neighborhood.

I can report that we have doubled our enrollment since the last newsletter. Thank you very much. However, we still have only about 20 percent of the residents in our civic league area involved.

The civic league is sponsoring, as a combined fund raiser and means of employment for our youth, the painting of your house numbers on your curbs (see article). We would appreciate your support.

If there is anyone who would like to advertise in our monthly newsletter, you are reminded that the cost is \$5 per month and that your ad would reach 700 homes. Kindly contact either me or Maggie Grider to place an ad.

POOL NEWS

We would like to thank everyone who came out and gave us a hand with the numerous chores necessary to prepare the pool for another season. Cleanup is a tiresome, but essential, job and we certainly appreciate the efforts of those who have volunteered their time to help during our cleanup days.

We are currently taking reservations for pool parties. Call Marcy Zmuda at 497-4051 for prices and available dates.

We are scheduling Tuesday nights for Teen Nights but we are in need of chaperones. Without the parents' help, this activity is impossible to have. Please call Trisha Doucette at 497-3663 for more information.

Opening Day is Saturday, May 28, at Noon. Non-members will be welcome Saturday and Sunday at \$1 per person per day. Monday, May 30, Memorial Day, will be for members and their guests only. This procedure is different than that of past years so please make a special note. Membership fees must be paid by May 30 to enjoy the use of the pool.

POOL NEWS (continued)

We'll be taking sign-ups for swim lessons at the pool beginning May 28. Swim lessons are available both to members and non-members. Three sessions of swim lessons will be offered beginning June 13. Dates will be available at the pool.

Please feel free to call if you have any questions regarding the operation of the Recreation Center. Thank you.

JOIN WITH US

It's certainly not too late to join the civic league. We welcome, and need, your support. League membership is one of the best bargains in town. For details, contact Maggie Grider.

HOUSE NUMBERS ON CURB

Beginning this month, a number of young boys will circulate through the neighborhood with spray paint and stencils. They will paint your house number on your curb for a nominal charge of \$3.

If you have any questions, call vice president Geneva Allen at 497-3448.

SPECIAL THANK YOU

Many thanks to our neighbor Bob Stone, who came to our civic league meeting and gave an excellent talk on lawn care--weeding, seeding, etc. We'd like to remind everyone in our neighborhood that we always have interesting and informative speakers at our civic league meetings. The next scheduled meeting will be in September.
