SATURDAY, APRIL 4

The Civic League's annual clean-up party is set for the 1st Saturday in April from 9 a.m. to 12:30 p.m.

Work parties will be organized at Lake Meadows Park to clear out the shoreline, trim and rake leaves at the Recreation Center, trim and plant at the median and entranceway.

Climaxing everyone's hard work the Civic League will provide hot dogs/hamburgers and drinks in the park, beginning at 12:30 p.m.

If you can't stay for the entire work session come any time and check in with a work party. If you come early and have to leave (for a soccer game, for example!) you can still come back for the eats and socializing!

Mark your calendar NOW-- there won't be another newsletter before this event! By the way, the RAIN DATE is the following

Saturday, April 11.

This has always been a fun and satisfying way to spend part of a spring day-- hope to see YOU there! If you have any questions please call Ralph Page (671-1432) or Steve Hawthorne (671-1026).

"DAM-WRAPPERS CLUB" TO MEET  
AGAIN SAT., MARCH 21

As reported in the last issue of our newsletter, the Civic League is actively raising funds to contribute to the improvement of Lake Meadows dam and environs.

One activity that netted approximately \$275 was wrapping small leather goods at a local warehouse/shipping operation. We have been offered another date -- and our goal is to get close to 30 people to participate. (Only 14 people worked the last time; if we have more people we can increase our production significantly and even offer "split shifts" without losing productivity.)

You can start as early as 7:30 a.m. and work until approximately 4 p.m., or spend a portion of time anywhere in between. We will try to arrange carpooling as well. We will be working in the Norfolk Industrial Park at the Ralph Lauren-Polo-Campaign Building.

To get more information, please call Steve Hawthorne (671-1026) or Karen Hamilton (497-0395). Remember, you can give all or part of a day and the camaraderie is GREAT! Hope to see you, Saturday, March 21.

TOMMY HORVATIC FUND

The Memorial Fund is registered with the Farm Fresh Gold Tapes Community Gift Program again this year. Drop off your tapes at 4508 Hudgins Dr. or call Rita

(499-2602) for pickup for any tapes collected until March 21. Also, we still recycle aluminum. The gold tapes and aluminum will be used to benefit the scholarship fund at Princess Anne H.S. Thanks a million for your support!

CANDIDATES' NIGHT, APRIL 14

Ocean Park and our Civic League are co-sponsoring a "candidates' forum" to meet and hear City Council candidates speak on issues relevant to citizen concerns.

City Council elections are coming May 5; this is an excellent opportunity to get prepared to exercise your right to choose!

The meeting will be at Independence Jr High School (Dunstan Lane in Thoroughgood), Tuesday, April 14 at 7 p.m.

# WOODLAND BUILDING

455-6994

## CIVIC LEAGUE PROMOTION!!

How would you like to get those home improvement projects out of the way in 1992 and help the Pembroke Meadows Civic League!!

Woodland Building in conjunction with the Recreation Director Jimmie Furlough has come up with a plan that will hopefully benefit all members of the civic league and Woodland Building.

A common problem among civic leagues is the maintenance of grounds and acquiring the funds to complete them.

A common problem among homeowners is the improvement cost of their house as well as finding honest and competent contractors to do the work. A contractor that will personally meet with you and give you all the free advice necessary to help you make an informed decision. I can help you with all of your home improvement problems. Everything from roofing, kitchen and bath remodeling, replacement windows, vinyl siding, and screened in porches. (We have done all of these in your neighborhood already.)

We use only the best name brand materials and our prices are always very competitive. You will like the professional and respectful attitude we will display in working on your home. Just ask some of your neighbors.

So how you ask will all this tie together?? I recently submitted a contract to the Recreation Director, Mr. Jimmie Furlough, for the construction of a 40' x 40' framed "A" frame structure that will be built on the pool grounds. It will be similar in design to those you see at most city parks. It will provide protection from the sun and rain during

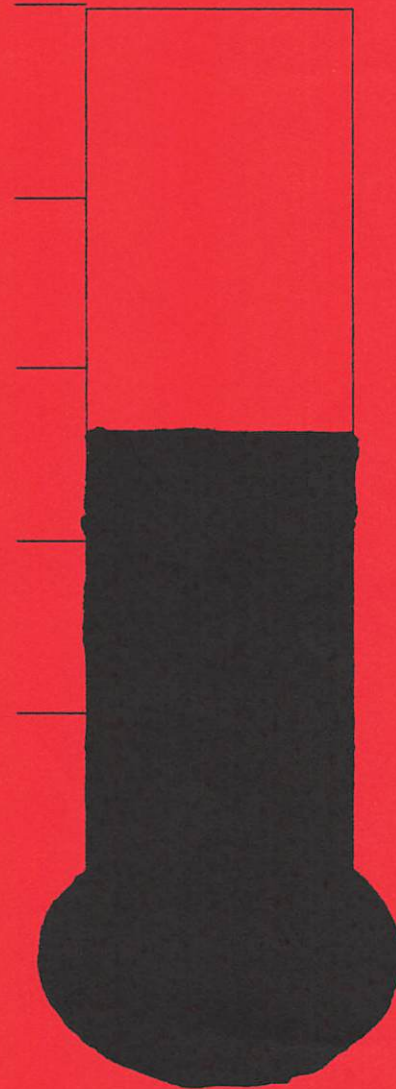

\$4850

\$3850

\$2850

fine activities that are held at the pool club.

The cost of this structure will be \$4850.00. However, we are going to give dollar credits based on 10% of the contract value of all of the home improvements we do in your neighborhood during 1992. You don't even have to be a member. We are even going to give the project 5% of the work we did for the 1991 year!!
