President's Corner Sid Sward and I, along with three youths, had a good time painting the gazebo on the Saturday of Spring Fling. Sid told some very corny jokes to a captive audience. Many of our friends and neighbors passed by and offered words of encouragement. It would have been great if more residents had been involved. However, there are other areas with the Civic League and pool where we could use your help. Probably the most important is just attending the Civic League Meetings. We need to get more participation and a wider range of views. I'm sure there are many issues and opinions that need to be addressed. Please support your Civic League and I will do my best to make the meetings interesting and to the point.

BEST REGARDS, DON SANDERS

WHOOO TIL LA LA!

When you read this you will understand the extent of the exultation in the heading because I will not be the editor of this newsletter. I have once again met via the phone many nice neighbors and thanks to one very nice neighbor, Charlotte Roy, who has graciously agreed to be our editor at least for a while, you will not have to suffer through my nonskills as a typist. Please give her your full support in submitting your copy ready for typing and in a timely manner. Welcome aboard, Charlotte Roy.

CIVIC LEAGUE MEETING THURSDAY, MAY 18 AT 7:30

The third time is a charm with speaker Brian Pennell, an EMT paramedic from Davis Corner Rescue Squad. He was previously scheduled on two occasions, but due to circumstances beyond control--hurricane, etc., we did not have the opportunity to hear his presentation about the history of the rescue squad and their interaction with the Fire Department. Don't miss this interesting and valuable information. We never know when we may need this wonderful community service.
