PRESIDENTIAL PONDERINGS

After a moist and enjoyable summer, I hope the beginning of the school year finds us all well. It was another successful year for the neighborhood pool and a winning season for the swim team. And, amazingly, Princess Anne High won a football game; yea Cavaliers!!!

Our next civic league meeting is scheduled for Thursday, September 20th, 7 p.m. in the all-purpose room at the elementary school. Detective Boda of the 3rd Precinct has been invited to attend for a discussion of crimes in our community. School Board candidate Joel McDonald has asked to attend; in keeping with our longtime election season practice, his representative was advised he will not be given the dais time, but is welcome to converse with our members before and after the meeting and during the break. (This is what congressional candidate Paul Hirschbiel did at our May meeting.)

The civic league has new officers sworn at the January meeting. With no December meeting, we like to have nominations by the November meeting. If you would like to become part of the board, please let the current board know. Or if you would like to be a part of the nominating committee, we welcome that as well.

A couple pass-along items from neighbors:
*if you have large vehicles (i.e. high sitting trucks, school buses, trailers), please consider how your park affects visibility for other drivers.

*A neighbor has reported observing rats this summer. To abate this problem, keeping your yard clean and debris free is recommended.

*The report regarding our lakes from the state Department of Environmental Quality was "better than feared" and better than Lake Smith. However, the water column was full of algae. To improve the quality of our lakes we should keep our gutters clean and refrain from dumping into our storm drains: this includes yard waste. Plant debris (such as grass clipping and leaves) uses oxygen to decompose, which depletes oxygen for marine life.

*The city arborist (who knew?) has agreed to have two large dead pine trees at the park cut down. (Thanks to Jim Willenbrink for keeping up with this.)

*Several requests have been received to have a speed trailer (an apparatus which measures the speed of passing vehicles and displays it for drivers) placed on Pembroke Boulevard. The police department no longer has a working speed trailer; however, the city's Public Works department has agreed to work Pembroke Boulevard into its speed trailer schedule. The purpose of the speed trailer is a friendly reminder to drivers to be mindful of their speed. Additionally, the police department has been requested to do some speed enforcement in the neighborhood; their reminders might not be perceived so friendly.

Hope to see you at the civic league meetings.

VISITING SOMEONE IN A NURSING HOME?

I am becoming more and more aware of the need to connect with friends and relatives who must live away from home. The visit need not be long, in fact short is sometimes better -- no more than 1/2 hour. A good way to make it happy for you both is to ask the patient a question about his past - like what schools he went to. And if you have a photograph that will bring up a fond memory, by all means take it along.

POOL NEWS

Pool Still Open in September!

The pool is still open this month on Saturdays and Sundays from 11:00am-6:00pm. That is, weather permitting, being defined as "warm enough to get in the water, or not raining". We intend to keep the pool going weekends in September as long as we have patrons attending however, we can't afford to guard an empty pool. So, please consider a dip in the pool after you have done all your chores of the day.

We have enjoyed having so many of you at the pool this summer. Thanks for all your support!

FALL GARDENING TIPS

- Mow/mulch fallen leaves with a lawnmower and place them on garden beds for spring time weed control and long term soil enrichment.
- Fall is good time to reduce your lawn coverage by creating new flower or shrub beds. Any reduction in lawn decreases rainwater runoff into our local estuaries.
- Fall is a good time to plant trees and shrubs -- Any month that ends in 'er' is a good month to plant
- This recommendation goes for transplanting as well.
- Fall is also a good time to tackle non-native invasives such as English ivy and honeysuckle.
- Use a minimalistic approach to lawn fertilization. Fertilize once a year in the fall and use phosphorus-free products as the soil in Southeast Virginia is naturally high in phosphorus.

ELECTION NEWS

ELECTION OFFICIALS NEEDED

The Election on November 6, 2012 will include nominees for President/Vice President, United States Senate, House of Representatives; Mayor, City Council and School Board!

The Virginia Beach Voter Registrar's Office is looking for 400-500 additional Election Officials (poll workers) to work at the 94 polling locations in order to manage the number of expected voters. This is a much needed community service in which you also get paid \$135.00 for training and Election Day. Those citizens who are interested in learning more about serving as a paid Election Official for the City of Virginia Beach are invited to go to www.vbgov.com/voter and click [Election Official Information](#).

LOCAL ELECTIONS

This year there are 9 candidates running for 4 seats on City Council and 4 candidates running for mayor. Some citizens may not realize that they vote for all of the City Council seats, not just for persons running for an individual borough. It is important we know the facts about all of the candidates.

Some of our local Civic leagues have set up forums to meet the candidates. Everyone is invited to attend.

- Tuesday, Sept. 18, at 7:00 PM Meet and Greet Social Period, with Refreshments. 7:30 PM Meeting.
Bayside Presbyterian Church - Fellowship Hall, 1400 Ewell Road (Corner of Ewell and Independence).
Sponsored by Lake Smith Civic League

- Thursday Sept. 20 at 7:00 PM at the Thalia Trinity Presbyterian Church, sponsored by the Thalia Civic League. The event will be moderated by long time WTKR newscaster, Barbara Ciara

- Monday, Sept. 24, at 7:00 PM at the Virginia Beach Central Library, sponsored by the Virginia Beach Council of Civic Organizations (VBCCO)

CIVIC LEAGUE ELECTIONS TOO...

November is the time for civic league elections. Our officers are elected annually and no officer is allowed to hold a position more than 2 consecutive years. The positions of President and Vice President must be filled with a new person this year. A new volunteer may be elected to any position if interested. Won't you please consider volunteering? We'd love to have YOU join in our fun. These responsibilities only require the attendance at a monthly board meeting and attendance at a monthly civic league meeting. Only two evenings a month can make a lot of difference for our community. You'll get to meet your neighbors and have a voice in planning ideas for your neighborhood.

Please contact members of our board to get involved. We will present a proposed slate at the October meeting and we will vote at the November meeting.

Cavalier Classic

Sept. 22, 2012 , 6PM
@ PAHS Cavalier Stadium

The Fabulous Marching Cavaliers of Princess Anne High School have teamed up with the United States Scholastic Band Association to bring you the Cavalier Classic at Cavalier Stadium on September 22nd. This will also be the 2012 USSBA Southeastern Virginia Regional Competition. Thirteen bands will be competing. Gates will open at 5 PM with competition beginning at 6 PM. This is great family entertainment for a Saturday evening. The level of musicianship and marching by these schools is amazing.

For those of you who are not marching band alumni or alumni parents, many of the high school marching bands not only perform at football games, but actually spend most of their time preparing for and participating in competitions held throughout the area. Each band is evaluated by professional judges who then provide feedback on strengths and weaknesses in a variety of areas. This helps the students and instructors fine tune their performance for the next level of competition as the season progresses. The Fabulous Marching Cavaliers have consistently ranked as one of the top bands in the area as well as being number one for their size division.

For more information about the Fabulous Marching Cavaliers and this year's schedule of competitions, go to www.fabulousmarchingcavaliers.org/
